DO YOU KNOW a young potter or sculptor who is just beginning a life in the studio – someone who would find inspiration, stimulation, and dialogue in the pages of **THE STUDIO POTTER**? Through a generous donation by **THE MINNESOTA POTTERS OF THE UPPER ST. CROIX VALLEY**, we are offering a **FREE one-year gift** subscriptions to **75** young artists who might otherwise be unable to afford to receive the journal. First priority will go to independent studio artists and residents. **COMPLETE THE FORM BELOW TO RECOMMEND SOMEONE** for this unique opportunity. **DEADLINE** for recommendations is **October 1**.
